

AXOPAR 37 SPYDER

The Axopar 37 Spyder is a true competitor to RIB's and open speedboats but offering much more versatile space for socialising and extraordinary onboard creature comfort.

The boat not just for highspeed pleasure, but also one that will satisfy all the senses even when lying at anchor. The Spyder also offers 'day-long' versatility, with an easily mounted, light-weight sunshade* providing protection.

It is the perfect choice for use as a tender or chase boat for superyachts. Its fast, safe and fun to drive and easy to dock and store.
